

## Kit de Electronica Basica

Codigo: 110495

## Descripción

### Contenido:

| Cantidad [#] | Nombre del producto                                                 |
|--------------|---------------------------------------------------------------------|
| 1            | Pantalla LCD 1602                                                   |
| 1            | 40 Pin Macho (Male Header) a 2.54mm Negro                           |
| 1            | Breadboard de 400 contactos                                         |
| 1            | Kit Jumpers Macho - Macho 65 unidades                               |
| 1            | Tarjeta Perforada para Circuitos 5 x 7cm                            |
| 1            | Sensor de Vibracion (Tilt Switch) HDX SW-200D                       |
| 1            | Fotoresistencia                                                     |
| 1            | Sensor de Temperatura LM35                                          |
| 10           | Boton pulsador 6x6x5mm (Push Button)                                |
| 1            | Potenciometro 100K ohm lineal con perilla                           |
| 1            | Servo Motor SG90 Azul                                               |
| 1            | Mini Zumbador (Buzzer) Magnetico 5V DC                              |
| 1            | Mini Relay de Poder 5V Dc SMD-SL-C Azul                             |
| 2            | Transistor NPN 2N2222 (TO-92)                                       |
| 1            | Transistor MOSFET IRF540                                            |
| 2            | Diodo Rectificador 1N4001                                           |
| 2            | Diodo Zener 1N4728 3.3V                                             |
| 2            | Diodo LED Tricolor 5mm 4pin RGB (Rojo, Verde y Azul - Catodo Comun) |
| 2            | Diodo LED Verde 5mm                                                 |
| 2            | Diodo LED Rojo 5mm                                                  |
| 2            | Diodo LED Amarillo 5mm                                              |
| 10           | Resistencia 100 Ohm 1/4W - 5%                                       |
| 10           | Resistencia 10K Ohm 1/4W - 5%                                       |
| 10           | Resistencia 220 Ohm 1/4W - 5%                                       |
| 10           | Resistencia 1K Ohm 1/4W - 5%                                        |
| 10           | Resistencia 2.2K Ohm 1/4W - 5%                                      |
| 10           | Resistencia 4.7K Ohm 1/4W - 5%                                      |
| 10           | Resistencia 22K Ohm 1/4W - 5%                                       |
| 10           | Resistencia 100K Ohm 1/4W - 5%                                      |
| 10           | Resistencia 330K Ohm 1/4W - 5%                                      |
| 10           | Resistencia 1M Ohm 1/4W - 5%                                        |
